

The Jeffco DeAngelis Foundation and the Colorado Healing Fund invite you to join us for a viewing of the recently released FBI documentary, **IN THE AFTERMATH: WHEN THE SHOOTING STOPS, RECOVERY BEGINS**. This insightful look into critical elements of recovery following events of mass violence is sure to spark conversations within your own community about our shared responsibility to keep our children safe, both physically and emotionally. This viewing will be immediately followed by a roundtable discussion featuring some of the most esteemed voices in the arena of school and community safety.

**When:** Tuesday, October 20 1:00 PM MST

**Access:** [Click this link](#)
